

CHILD CARE TIPS

For a Happy Visit!

1. Make sure your children have been fed and changed (diaper) before checking into Child Care.
2. **NO FOOD.** Drinks, cups with caps and pre-mixed baby bottles are allowed. If an older child is hungry, parents are requested to feed them in the lobby before checking in to Child Care.
3. Please try to make the Child Care time a period of the day that does not conflict with your child's nap time. It is easier for us to provide a pleasant environment for all children if they are well fed, napped and alert. Then they are ready to play!
4. Be prompt to pick up your child in Child Care. Reservations are made back to back, therefore it is imperative that a schedule is followed in order to be able to give all the children the appropriate attention.
5. If your child is new to Child Care, or if you have some concerns on how your child is doing, feel free to call from a Club phone to check on your child (Extension 2422). This is much easier on your child than coming back in to Child Care and leaving your child again.
6. If your child needs to adjust before coming to Child Care, please do so in the alley area.
7. We do not allow children to bring any handheld games to Child Care including cell phones.

Reservations

Reservations are required (space is limited, you may check in with staff to see if space is available for drop in). For children *on the family membership*, reservations may be made up to **72** hours in advance. For children who are not on the family membership, reservations may be made no earlier than 48 hours in advance. Reservations may be made in person or by telephone. If space is not available for your child at the desired time, you may be placed on an **alternate** list and contacted if space does become available due to cancellations.

Your reserved space will be held for you for fifteen minutes after your reserved time, but your child will be allowed to stay only the length of time of the initial reservation. If you are later than fifteen minutes, your space may be given to someone on the alternate list.

Maximum Time

Members may leave children for up to 2 hours per day. You must remain on Club premises while your child is in Child Care. There are separate policies for offsite programs.

Cancellations

We ask that you contact Child Care immediately if you are unable to bring your child for the time reserved. If you do not contact us within half-an-hour of your reservation time to notify us of the cancellation, your account will be automatically charged a \$7.00 non-cancellation fee. This fee has been established to insure that members do not reserve spaces randomly and then not use them. This same fee applies to Special Events that require reservations.

Late pick up

Members must pick up their children by the end of their reserved time. For every 10 min. increment you are late, you will automatically be charged a \$5.00 late pick up fee. Frequent late pick-ups may result in not being able to utilize our childcare.
